

Best Beginnings Preschool Family Newsletter June 2019

June is a very short month here at preschool. It seems like September wasn't that long ago. Thank you for sharing your children with us this year. We have enjoyed watching them blossom and grow over the past nine months. For those of you with students who will be moving on to Kindergarten or other programs next year we wish you all the best in their future education. We hope that you stop by or send us a quick email from time to time letting us know how your student is doing. For those families that will be back in September, we are excited for your return and to see how much your children have grown over the summer. On behalf of the entire staff, I thank you all for a wonderful school year and wish you a happy and safe summer. *~Enjoy your summer! Kerry*

Thank You

To all the parents who volunteered in the classroom, chaperoned field trips, cut projects out at home, made playdough, brought the staff special treats, and those who made donations to our school, we thank you. We as a school are very fortunate to have wonderful, supportive families, not only to their child but to the staff and other parents as well. Your support is truly a gift that is priceless. Thank you.

Registration Reminder For Incoming 3's for Fall 2020

For alumni returning with incoming three year old's for Fall 2020 we will begin registering those children in December. Call or email the school office to get on the list for your class preference. The paperwork will be available online in January. Once you have had a child go through our school you are an alumni.

Enrollment for 2019

We have a few spots in our Monday/Wednesday and Monday/Wednesday/Friday 3's classes. If you know or hear of anyone looking for a 3's class, please have them call the school. Messages are checked weekly during the summer.

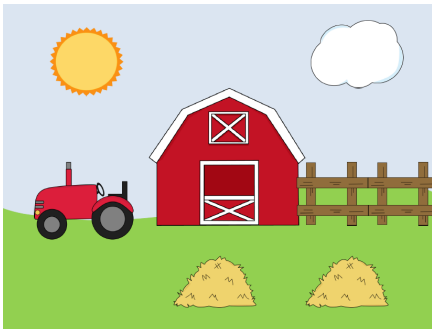

All School Picnic

We are celebrating the end of the school year and start of summer vacation with an all school picnic. The picnic will be held rain or shine at Cottage Lake Park, 18831 NE Woodinville Duvall Rd, Woodinville, WA. Please join the staff at the park on June 11, from 11-1pm. Parking is limited so it is best to carpool if possible. We look forward to seeing everyone there. See the attached flyer for more information.

Graduation

PreK and TK Graduation Information

Graduation Ceremonies – During the last week of the school year we will be hosting 5 graduations for our PreK and TK classes. Each child has made an individual graduation invitation. Please carefully check for the day and time. Graduation means lots of songs, stories, pictures – enough to make any parent shed a tear of sadness that this sweet time in their young children’s lives is coming to a close.

On the day of graduation children come for graduation only.

Please drop your child off in their classroom then proceed to the Sanctuary area, be seated and wait for the fun to begin. Extended families are more than welcome. Please make sure that small children remain on your lap rather than running about in the Sanctuary or becoming part of the graduation program. The children have worked very hard and this moment is truly theirs. After the official ceremony join us for shared treats.

We ask that each family contribute a plate of finger food (no cake or frosted items please) to share after the ceremony. Beverages will be provided.
