

Best Beginnings Preschool Family Newsletter June 2020

It is hard to believe that June is here already. I know this isn't the way any of us wanted our school year to end. Thank you for all your support this year, especially during the last 2 1/2 months. I never dreamed that we would be doing remote learning with preschoolers when this year started back in September. Remote learning definitely had it's ups and downs. It is my hope that in the end you were able to stay connected in some way with your child's class and teacher's.

We are all looking forward to seeing you at the end of the school year car parade on June 2. While we won't be able to gather, talk and share all the wonderful things we love about your child know each of them has a special place in our hearts. It has been a pleasure to watch them grow and learn this year.

For those families returning in September, we are excited see how much your children have grown over the summer. For those of you with students who will be moving on to Kindergarten or other programs next year we wish you all the best in their future education. We hope that you stop by or send us a quick email from time to time letting us know how your student is doing.

On behalf of the entire staff, I thank you all for a wonderful school year and wish you a safe, happy and healthy summer. *~Enjoy your summer! Kerry*

2020/2021 School Year

As our current school year comes to an end, we begin to look forward to next school year. We do not know what the future holds, but we are preparing for what may come in the Fall 2020. Our plan is to start school in September. At this time, I cannot give you any definite plans as to what will happen when we open, but know that we are working to find the best and safest way to do in person preschool in the fall. Things are changing all the time and we might have to make adjustments up to the start of school. The safety of the students and staff at Best Beginnings is our priority.

During a normal school year, the deadline for September tuition refund would be June 1. This has not been a normal school year. We are extending our refund date to July 1 to take a little bit of pressure off parents.

Please contact our office by email if you have any questions or concerns regarding the start of the school year.

We Value and Appreciate Your Comments

Think back to how your first heard about Best Beginnings Preschool. For many of you, you heard from a friend, family member or neighbor. Many of our students come to us by word of mouth. We love and appreciate all the wonderful things you share with others about our school. If you feel inclined to do so we would greatly appreciate any reviews you would like to provide on various sites such as Facebook and Yelp. We thank you for sharing with others your thoughts and feelings about our school.
