

Best Beginnings Preschool Family Newsletter June 2024

It feels like just yesterday we were welcoming your little ones to our preschool program. Now they are big kids ready to move onto our PreK and TK classes or head off to new schools for kindergarten.

The staff and I want to thank you for your support and trust in our preschool program. We are proud of the many things your children have learned and accomplished this year. They have grown academically, socially, emotionally, and creatively over the past year.

The children had an amazing year exploring different themes, developing early literacy and math skills through fun activities and games. They also enjoyed expressing themselves through various art activities, singing fun and catchy songs, and doing some silly dance moves. New friends were made, children learned to take turns, use their words, and learn ways to handle disagreements and frustrations. It is our hope that you have enjoyed the year as much as we have, and see all the growth your child has made over the year.

The staff and I wish you and your family a safe and wonderful summer. To families moving on from Best Beginnings, we wish you all the best. Keep in touch and let us know how your child is doing. You are always welcome to visit anytime. To families returning in the fall, we look forward to seeing you in September. Back to school information will be emailed the first week of August.

Happy Summer!

Kerry

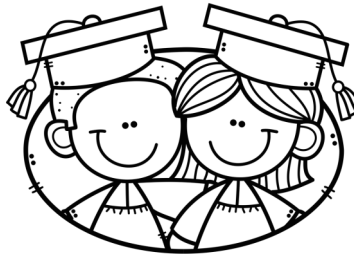

Graduation Day

Graduation for our PreK and TK classes will take place June 5. Extended family members are welcome to attend. We will have 4 classes graduating on this day at different times. Each graduation is under 30 minutes long. Please be sure to have your student arrive at the time your teacher requests. Please check your child's individual class calendar for specific information.

On Graduation Day, children come to school for graduation only. There is no regular class.

Please drop your child off in their classroom and then proceed to the Sanctuary area, find a seat and wait for the ceremony to begin.

Please make sure that small children remain on your lap rather than running about in the Sanctuary or becoming part of the graduation program. The children have worked very hard and this moment is truly theirs. Thank you for helping us make this day special for all.

All School Picnic

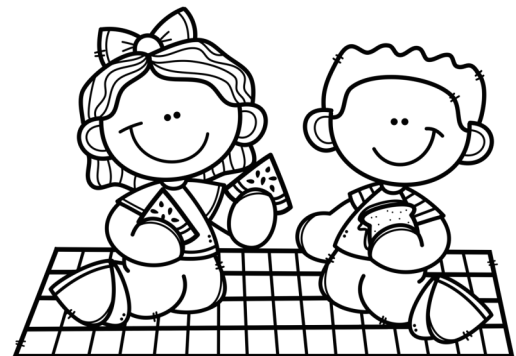

June 5, 2024

12:30—2

Best Beginnings Preschool

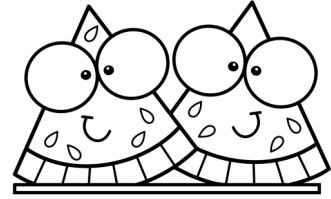

(outdoor areas and playground)

Parents are responsible for monitoring their children.

2024/2025 Enrollment

We have a few spots left in our PreK classes. If you hear of anyone looking for a preschool program please send them our way.
