Fairview Cemetery -A Natural Environment

- The natural beauty of Fairview Cemetery is preserved by the exclusive use of natural flowers and greens.
  - Natural Flowers - May 1st thru October 1st
  - Natural Greens - November 1st thru April 1st
  - Flags are allowed on the grounds Memorial Day weekend ONLY.
- Artificial flowers and grave decorations are not allowed. (They will be removed and discarded)
- Flowers, plants, or pots are not allowed on or in the ground.
- Containers will be:
  - Biodegradable or clay.
  - Maintained with live flowers or greens.
  - In urn stands only.
- Containers not in compliance will result in the removal and disposal of the container and urn stand.
- Urn stand will be:
  - Painted dark green.
  - Rust-free and not bent.
  - Upright and perpendicular to the ground.
  - Maintained with natural containers and live flowers (June 1st thru October 1st).
  - Shepard hooks are not allowed.
  - Urn stands not in compliance will be removed and discarded.
- Tree Planting
  - All requests to plant trees within Fairview Cemetery are subject to review and approval by the Fairview Cemetery Association based on site conditions and cemetery regulations. Unauthorized planting is prohibited. Tree roots may damage underground burial vaults, disrupt neighboring graves, and interfere with cemetery maintenance equipment, including lawn mowers and other groundskeeping machinery.
  - A Tree Permit must be submitted and approved

It is recommended that urn stands be removed before winter.
Damage may be incurred by equipment during winter excavations.
Fairview Cemetery is not responsible for damage to urn stands in the winter.
