Evaluation Report

Name: Mitchell, Klijah

Interview Date: 07-Dec-2021

Department: HUG

ASLPI Rating: 3

The American Sign Language Proficiency Interview (ASLPI) evaluation you took Direct Connect on December 7, 2021 has been rated and the team of raters have determined your present proficiency in American Sign Language as demonstrated in the interview to be on the proficiency 3 level.

Please note that each ASLPI proficiency level has a range (between 0-1, 1-2, 2-3, 3-4 and 4-5). Except for LEVEL 5, the rating process sometimes results in the assignment of a plus value (+). This does not represent a midway point between two levels, but may be inferred to indicate that the examinee exceeds the requirements for a particular level but does not satisfy in all respects the requirements of the next higher level.
