World Quests are Genshin Impact's version of side quests. By doing them, not only do players learn more about the world and get to know its NPCs, they also receive rewards for completing them!How To Unlock World QuestsIncrease Your Adventure Rank Most World Quests are locked behind Adventure Rank progression. Some of them will not show up until players reach a specific Adventure Rank or once they complete the Ascension Level quests.Progress Through The Archon Quest There are World Quests that are directly tied to the Archon Quests or the main story quests of Genshin Impact. Completing Archon Quests is the only way to unlock these types of World Quests.Unlock New Regions Some World Quests on the other hand can easily be unlocked so long as you've unlocked or cleared the fog in the area where they are found. Aim to unlock all waypoints and Statues of Seven in every region to see quests.Genshin Impact - Related Quest GuidesLatest QuestsAll Archon QuestsAll Archons Quest ListAll World QuestAll World Quest ListAll Story QuestAll Story Quests List
