Service List

In-Person Tutoring

This model is recommended for the first 2-4 sessions for every student. Services are provided in students' homes or in a library near you.

Hourly Rate-\$90

Tele-Instruction

This model is recommended when the student has demonstrated independence and mastery when using manipulatives.

Hourly Rate-\$70

Additional Services:

Family Consult

This is a tele visit model, unless otherwise requested. When the team discusses the goals for the child, and their progress. The family can clearly communicate the intentions and specific objectives for the sessions. The family can also discuss the frequency and format that they receive their child's progress data.

Hourly Rate- \$70

Child Advocacy

I have been working with students struggling to learn since 2009. I guide parents and offer support answering questions concerning IEP meetings, IEP structure and the continuous questions that arise during a year of following student progress.

Hourly Rate- \$70

More Support

Direct/Indirect Service Time

IEP Goal Progress Monitoring

Data is taken on the academic IEP goals that are objectives for sessions and presented in preferred formats and shared during consultation or by email.

Monthly Rate: \$40

Positive Behavior Support and Intervention

If your child needs additional support behaviorally, I can work with their team at their school to take data that will create an intervention for your child, proven to improve behavior by research.

Monthly Rate: \$80

Materials

***Consumable materials such as lined paper, pencils, red word papers, or dictation pages are required in each session.**

Option 1) Parents can provide consumables. I will send a file with the materials needed to print, weekly or monthly. Based on preference.

Option 2) Consumables are provided and delivered once a month. Monthly Rate: \$25
