OUR MISSION

We are committed to providing high-quality vending machines and micro markets that meet the needs of our customers. We strive to offer excellent customer service and competitive prices, always putting our customers first.

A LITTLE ABOUT US

My name is Matthew Urban, my wife Cynthia and I run Urban Vends It All. We grew up and live in Baytown, TX. We truly believe we live in the best city in this nation and are proud to have our business roots here. We are both very proud to be a family owned/operated small business and we take pride in providing the best experience to all our customers. Our ultimate goals are to build long-term bonds and relationships with our customers, so together we can grow. We are open to suggestions, changes and requests to build our business and welcome all feedback, both good and bad. We are grateful for all opportunities and look forward to providing the best customer experience and services to you.

OUR EQUIPMENT

UVIA uses state-of-the-art equipment. We believe a business can only be as good as the equipment used and the personnel managing it. We take pride in our employees and our equipment.

OUR MACHINES

- 50" LCD Touchscreens
- Custom Video and Advertising Playback.
- Realtime Online Inventory Management
- Realtime Online Diagnostic and Machine Health
- Custom Product Layout
- Handicap Friendly

OUR MARKETS

- Fully Custom Cabinetry and Layouts.
- Refrigerator and Freezers
- Moneta Touchscreen Kiosk with Stationery Barcode and Scan Gun Barcode Option.
- Camera Security
- Realtime Inventory and Online Management Portal

All our markets are custom-built to suit your space and provide an adequate number of products to serve your needs. Our machines and kiosk use smart technology to stay up to date on new products lines, alert if issues arise and provide key information so we can provide the best experience for our customers.

OUR NEWEST ADDITION TO OUR VENDING FAMILY

With its slim design and large capacity the wall mounted/ standalone machine fits into tight areas while still provide customers with the luxuries of its larger brother. These are great for vapes in bars/ clubs and can be fitted for age verification.

Want installed at your business but don't want to run and maintain?

We Can Help!

- ☐ We provide, install, maintain & replenish all products vending machine for FREE.
- ☐ We sell the hottest brands of vapes for example in multiple flavors to keep your customers from leaving to buy products elsewhere.
- ☐ We maintain all needed permits and licenses to operate in your location.

ONE STOP SHOP!

WHY CHOOSE URBAN VENDS IT ALL?

- Provide new product for customers
- Prevent customers from leaving to buy a vape or products elsewhere
- Advertising capability allow us to run ads tailored to your business
- Can remotely monitor machine health and inventory so the machine never goes empty

PRODUCT LIST

We know not all products lists are the same for every market. We work closely with our customers to put together a curated product line that meets the needs of your employees and customers. We will provide our standard list, then ask for additional product ideas and needs. We stock medical supplies and medication too!

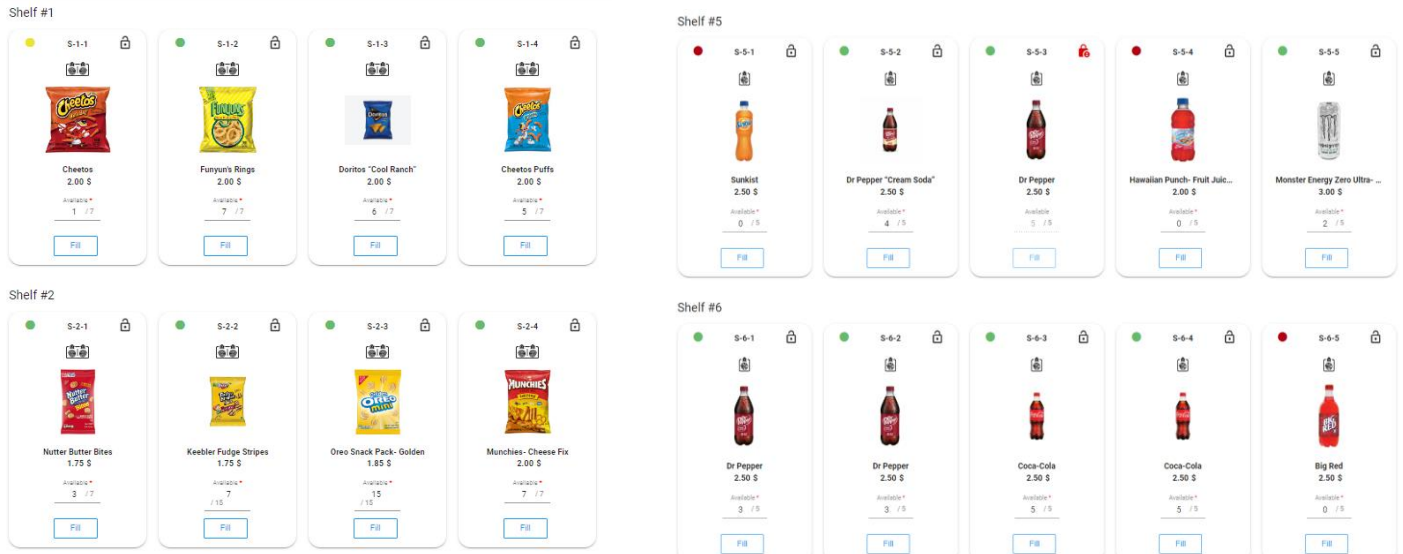

PRODUCT COST

All our pricing is on average lower than traditional grocery and convenience store costs. The purpose of our business is to bring quick meals and snacks to your employees without the hassle of leaving their workspace. Convenient on the go and sit-down options.

PRODUCT MANAGEMENT

Our smart machines and kiosk have taken product management to the next level. Realtime inventory checks from anywhere in the world at the click of a button. Combined low product alerts and our top-of-the-line train staff make empty machines and shelves a thing of the past. Our software allows us to manage our locations by creating trends with graphs which allow us to see the products being sold by location and length of time items are on shelf. This allows us to make sure we are providing products your customers and staff want and need.
