

Reagan Stage Business Sponsorship 2025-2026

Support our theatre students today!

Hello!

On behalf of the over 250 students who participate in Ronald Reagan High School's Theatre Department productions, classes, and competitions, we would like to personally request your support for our school's program and our upcoming productions. The Ronald Reagan Theatre Department ("Reagan Stage") is a mostly self-funded organization and we are looking for sponsors to support our program. Each year, we produce five or six shows that teach our students the art form of theatre design, creativity and interpretation, and enabling students to experiment with different styles of the theatrical arts.

Participating in theatre helps our students build confidence, learn how to work as a team and apply these skills in the classroom and the real world. Yet with limited funding for our programs, we must rely on community supporters, such as you, to make these programs the best they can be for all who wish to participate. Here are some facts about our program:

- Advertising sales and ticket sales are the primary fundraisers for the Reagan Theatre Department. The money raised has to cover the costs for all costumes, props, equipment, scripts, show licenses and more.
- Members of the community, students, parents, teachers and friends attend our productions throughout the year, offering sponsors visibility in our playbills and advertisements throughout the area.
- The Reagan Theatre Department is known for excellence. In 2025, we were once again nominated by the Joci Foundation for Best Actor in a Musical for our production of *Anastasia*. In 2023, we advanced to the UIL Region Once Act Play competition, making us one of the top 24 shows in the state! We had two best actor nominees for the 2020 Joci Awards for our production of *Titanic: The Musical*. 2019 saw us receive awards for Best Musical and Best Actor in a Musical at the 2019 Joci Awards for our production of *Hello, Dolly!*. Our students also earned a berth at the 2019 UIL One Act Play 6A State Competition. In addition, our Thespian Troupe #6151 members have received numerous awards for competing in Individual Events at the state and national levels.

Please see the sponsorship opportunities available in conjunction with our 2025-2026 season. We hope we can count on your support as we look to expand our audiences and raise the needed funds for the benefit of all of our current and future students.

Sincerely,

Paul Fillingim
