

T.O.N.Y. MEMBERSHIP APPLICATION

Thunderbird Owners of New York

Dear Perspective Member:

You are invited to apply for membership in (T.O.N.Y.) Thunderbird Owner's of New York.

The Thunderbird Owner's of New York is a charter member of the Classic Thunderbird Club International. It is the only T-Bird Club in Eastern New York State. Its members consist of all people of all professions who share the common love of Classic Thunderbirds. You need not have a T-Bird at the present time or a show car, only the desire to own and preserve them. It's that desire that unites our members. The club publishes a monthly Newsletter, "Tales of a Two-Seater". It is designed to help club members locate parts for sale or swap, help restoration, maintenance and general information on club matters.

As a member, this is one of the many advantages derived from the club.
