The Forseti Referral & Alert System (F.R.A.S.™) is the backbone of the County Connect<sup>™</sup> system, providing jurisdictions with a unified approach to community policing!

Data can only be shared and received by those with pre-determined access!

## County Connect™

Unites the criminal and social justice stakeholders through data-sharing, multi-agency access and real-time alerts.

Walter Lautz – CEO walter@forseti.io (310) 801-2079 Warren Lautz – COO warren@forseti.io (480) 490-4215

www.forseti.io

Enhance your department with Forseti's Referral & Alert System<sup>™</sup>. Automatically share relevant data with stakeholders that have a 'need-to-know.'

## **Discover a New Level of Productivity**

Better efficiency when you're in the field. Peace of mind when you're not.

Ensure all information gathered is in accordance with department policy.

Accessible on all devices (iOS, Android and/or Windows). Mobile, Tablet and/or Mobile Digital Terminal (MDT).

All data gathered via Forseti software can be integrated into legacy systems and software.

Built in analytics, powered by Amazon QuickSight, allows for comprehensive report generation.

Integrated Audit Logs allows for transparency and accountability as well as officer and department peace of mind.

All data collected is stored on the Amazon Government Cloud. AWS Gov Cloud is FBI certified and CJIS compliant.
