August 31st we UNITE to SAVE JULIAN

AUGUST 17th, 2022

Everything else we were working on had been put on hold. There's a seriousness and URGENCY to this CLARION CALL. Tomorrow (barring any unforeseen emergencies) we will begin posting small TRUTHS slowly building up to a 3 part video premier that will be aimed at uniting (left/right/center) for one moment in time to **SAVE JULIAN ASSANGE**. Wanted to have it out on #WhistleblowerDay but have a few last minute adjustments we need to make first.

GOD BLESS YOU ALL - LET'S DO THIS!

**SAVE JULIAN
ASSANGE**

Dear Julian Assange,
Prisoner A9379AY
HMP Belmarsh
Western Way

U.K.

I write to you today along with many others, the good people inhabiting God's creation. I and we write to you to share how much we admire your courage. The single virtue that all other virtues rest upon. We write to to share our love for you as a brother. We write to show you that we will demonstrate our own courage to get up from our knees and show the giants that they, in fact, are the ones who are small.

Some of us have asked ourselves "What can I do? I am just one person?" Well, we add up. There are 7+ Billion of us.

And what will they say when we ask them, in unison, "What will they do?" What "they", the Elite, Establishment Ruling Class, will come to know is the FEAR OF THE ONE GOD THEY HOPED TO REPLACE. What they do is completely up to them at this point. It was God who gave us free will after all.

Some will cowardly try to hide I suspect. Some might fight back, but again, they are FEW, we are many. And some may beg for Mercy and Redemption from the God they discarded long ago for wealth and power.

Good thing their Salvation is up to a Forgiving God and not the imperfect men and women we are.

You have sacrificed everything Julian. We are in your debt. We will kneel down no more.

Yours with much love and respect,

The background of the entire image is a close-up, slightly blurred view of the American flag, showing the stars and stripes in a diagonal pattern.
