### BIOGRAPHY

**SHORT:** Chris Meier is an ordained minister, pastor, author and guest speaker. She holds an Associates Degree in Biblical Studies from Christian International.

**EXTENDED:** Chris Meier is an ordained minister, pastor, author and guest speaker. She holds an Associates Degree in Biblical Studies from Christian International. She is an ordained minister with the Fellowship of Christian Assemblies and is a founder and pastor of Christ-Centered Ministries for Worldwide Worship, a teaching and preaching ministry with a house church located in Pensacola, FL. Chris worked as an ordained ministerial volunteer in street ministry, homeless ministry, prison ministry, nursing home ministry, and both at-risk and women's outreaches. She has run both for-profit and non-profit corporations.

**She holds the following secular certificates:** Certified Shorthand Reporter (court stenographer) with the State of New Jersey (CSR); Registered Professional Reporter (RPR) and Certificate of Merit (CM) writer with the National Shorthand Reporters Association. As a result, she worked as a per diem reporter in the New York City-metro area on various civil lawsuits, primarily in depositions or discovery before trial. She is now retired from that occupation.

**Her new book, *70 Years of American Captivity: The Polity of God, The Birth of a Nation and The Betrayal of Government* won the 2017 Book Excellence Awards in the Social/Political Change category and three 2017 Finalist awards in History, Law and general Non-Fiction from the Best Book Awards and the Independent Author Network's BOTY Awards. She's the author of *Beyond Strongholds: Infiltration by the Glory of God*, as well as several church Bible-study manuals. She can be contacted:**

## Endorsements, Reviews, Testimonials & Excerpts

*“Chris Meier is on a mission to help us recapture the presence of God’s Glory.” — Rev. John A. Kilpatrick, former Senior Pastor Brownsville Assembly of God*

*“What Meier has written is very foundational, and is required reading for all those who are serious about the Church moving into the latter day Kingdom work and Bridal preparation. Chris Meier is a minister that has a strong prophetic, teaching anointing.” — Michele Parish, former Overseer, Prophetic Council, The River Church*

*Beyond Strongholds, nominated 2003 Retailer’s Choice Award Charismatic Book*

*“I think if more people read it, we can do something to turn this country around.” — Joseph Bilski, USN (Retired)*

*“Well documented. A look at what is wrong in America and what needs to happen in order to correct course before it’s too late.” — L. Gainey*

*“The solutions offered at the end of this book are similar to solutions our founders ‘found.’ If political correctness handcuffs us from revealing history and a path toward solutions, we will indeed ‘find’ captivity.” - Excerpt, 70 Years of American Captivity*

### ***70 Years of American Captivity* wins Book Excellence Award for Social/Political Change**

This month, TellWell author Chris Meier received a Book Excellence Award in the Social/Political Change category for her progressive and thought-provoking book – *70 Years of American Captivity: The Polity of God, The Birth of a Nation and The Betrayal of Government*.

The Book Excellence Awards celebrate effort, dedication and creativity among traditional and self-published authors. In winning the award for the Social/Political Change category, *70 Years of American Captivity* has been recognized for its high quality design and writing, and its overall market appeal.

Meier’s book explores how America’s diverse nation got along and continued to work out its differences while making it a birthplace of liberty and ingenuity. It’s a non-judgmental look at historic, scientific and documentary evidence that indicate the Federal government has broken its covenant to the citizens it swore to uphold.

Chris Meier is an ordained minister, pastor, author and guest speaker with 30 years of experience sharing the unexplained of the Bible with those who desire it explained— even to those who wish it would go away. ***70 Years of American Captivity***

-For Immediate Release-

June 30, 2016

**REVEREND CAUTIONS AMERICANS TO REMEMBER THEIR HISTORY IN FACE OF TERRORISM**

PENSACOLA, FLORIDA. - As terrorism continues to thwart the safety and freedom of Americans, author Rev. Chris Meier warns of the consequences of turning to progressive socialism for solutions.

*“But being ruined by taxes is not the worst you have to fear. What security would you have for your lives? How can any of you be sure you would have the free enjoyment of your religion long? Would you put your religion in the power of any set of men living? Remember civil and religious liberty always go together: if the foundation of the one be sapped, the other will fail of course.” Alexander Hamilton*

The reason our diverse nation has been able to work with one another up until the last fifty years is because America has always had a secular or non-sectarian covenant attached to a people with a religious or spiritual covenant. This meant that her governing documents were kept safe from the grip of those attempting to wield power to control her people. That is, until recently.

Meier’s newly released book *70 Years of American Captivity* (TellWell Publishing) spans 500 years of historic, scientific and documentary evidence. In it you will read how the Federal government has broken its non-sectarian covenant to the citizens it swore to protect— and there are literal consequences to this breach.

“It’s American history with a warning,” says Meier, “with a strong message to all Americans regardless of religion. It’s a work you’ll want to keep handy, explaining to friends and family how to turn an American ‘nightmare’ back into the American Dream.”

**ABOUT THE AUTHOR** - Chris Meier is an ordained minister, pastor, author and guest speaker currently residing in Florida. She has written three other books. **More info:** <http://70yrsamericancaptivity.com/revchrismeier.com>
