Ready for cae teacher's book pdf

Each of the 14 units of Ready for Advanced provides a balance and variety of activity types aimed at improving students' general English level, as well as developing the language and skills they will need to pass the Cambridge English: Advanced (CAE) exam. Ready for Advanced is based on thorough exam preparation structure. Special language focus sections encourage analysis of the main grammar areas at this advanced level. Skills for all papers are covered and there is a complete practice speaking test included.
The Student's Book provides complete grammar and vocabulary syllabuses as a useful reference point with new reading texts and in-depth coverage of the combined Reading and Use of English paper to develop exam confidence. Each Coursebook is packaged with a code to access Macmillan Practice Online (MPO), providing students with even more material for exam preparation. Complete video material for all four parts of the speaking test allows students to experience exam-style tasks first-hand. Students will have the opportunity to consolidate and reinforce their knowledge through Wordlist and Grammar reference at the back of the coursebook. An overview of the exam is included to help prepare students for different aspects of the Advanced exam. The workbook also contains additional exam-style listening exercises to give students extra practice in the classroom or at home. Teacher's Presentation Kit for use on interactive whiteboards or with the projector enables effective heads-up exam task analysis and practice.
The Student's Book Pack focuses on thorough preparation for the Cambridge English: Advanced (CAE) exam. 22 immutable laws of marketing pdf The end of unit Review sections and the practice exam papers develop exam confidence. An access code to Macmillan Practice Online (MPO) provides students with extra material, and an eBook version of the Student's Book is also included. The Workbook Pack offers thorough consolidation of the grammar studies in the Student's Book.
Perfect for students preparing for the CAE with extra writing practice, listening banks and exam practice, help to develop student confidence. The Audio CD contains all the audio needed, making it ideal for revision and homework.
'With Key' version. The Teacher's Book provides step-by-step guidance for teaching the material, along with sample answers and advice on how to approach exams. Accompanying the book is an eBook version of the Student's Book, with an additional DVD-ROM filled with tests, videos and audio. Answer keys and listening scripts can also be found within the Teacher's Book. We're sorry, but WorldCat does not work without JavaScript enabled. Please enable JavaScript on your browser. Download & View Ready for CAE Teacher Book as PDF for free INTERACTIVE EXAM PRACTICE FOR STUDENTS A unique Student's App offers flexible on-the-go practice of the language covered in each unit, 2 full practice tests and 60 quick-fire 'Are you Ready?' questions to help students prepare for their exam. THOROUGH GRAMMAR PRACTICE Grammar is made easy with thorough Ready for Grammar reference sections at the back of the book which give clear explanations and provide extra practice.

2 Check the meaning of any unknown words, e.g. dig, excavation, footage, manuscripts, and re-enactment.

Key
a 4 b 3 c 2 d 5 e 3, 6 f 2 g 1 h 6 i 5

3 Monitor pairs of students and make sure they are keeping to the time limit. Check they are answering both parts of the question and not just describing the photos.

4 Set a time limit of 30 seconds for this follow-up question and encourage students to justify their answers.

Suggested answers
More accurate information may come from film footage or documentary evidence. There could be an element of speculation about the archaeological dig, and some element of entertainment to the battle re-enactment and traditional craftsmen. The personal documents have the advantage that they are written by 'real' people at the time, but may also be emotionally or personally biased and not as objectively factual.

Use of English p88

1 If you have younger students, find out what periods of history they are studying and what methods they use to learn about it apart from books. Older students may have more perspective on how understanding history helps to give a fuller understanding of many other subjects, and that we can learn from history not to repeat mistakes.

2 Key
Herodotus (c.484–425 BC) was the first person to study, and report on, events in different countries from his own.

3 Refer students to the *tip* box. Remind them to look carefully at which part of speech might fit in the gaps and to pay attention to context e.g. *I skilful* links to the positive adjectives *informative* and *lively*. Encourage students to check in a dictionary for possible correct answers and spelling.

Key
1 passionate 4 unforgettable
2 extensively 5 perception
3 skilful

4 Key
6 dramatically 9 development
7 archaeologists 10 civilisations
8 enabled

Optional activity
Before checking the answers with the whole class, ask students to check the pronunciation and word stress of the missing words in a dictionary.

Vocabulary p89

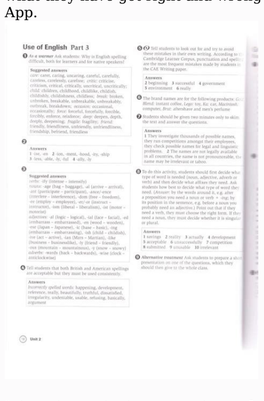

1 Encourage students to use dictionaries for tasks 1 and 2. Make sure they pay attention to word stress and pronunciation, e.g. *democracy, democratic*.

Key
a evidence e awareness
b adaptability f accuracy
c significance g democracy
d ambition h independence

2 Key
a impractical g immoral
b indecisive h irregular
c incapable i illegal
d irrelevant j disagreeable
e unsuitable k dishonest
