Gotcha pokemon go manual

Download the User Guide for instructions on how to setup your Go-tcha Classic, link your Go-tcha Classic to the Pokémon Go App, charge your Go-tcha Classic with the magnetic USB charging cable and more. [rehabilitative frame of reference journal](#) Go-tcha Classic User Guide Bedienungsanleitung Vielen Dank, dass du Go-Tcha Evolve für Pokémon Go erworben hast! Genieße Pokémon GO unterwegs, ohne dabei ständig auf dein Handy schauen zu müssen! Was ist alles enthalten? In deiner Box von „Go-Tcha Evolve für Pokémon Go“ sollten die folgenden Dinge enthalten sein: 1x „Go-Tcha Evolve“-Smartwatch 1x Anleitung zur Aufladung Dein Go-Tcha aufladen Go-Tcha Evolve verfügt über einen eingebauten USB-Anschluss, auf den du zugreifen kannst, indem du das Schnallende des Bands entfernst.

Verbinde daraufhin den eingebauten USB-Anschluss mit einer Stromquelle. Nach 1,5 Stunden ist das Gerät voll aufgeladen und einsatzbereit. Nicht direkt abziehen FALSCH – Kann den Anschluss beschädigen! WICHTIG: Stelle sicher, dass Go-Tcha Evolve richtig herum in den USB-Anschluss der Stromquelle eingesteckt wurde. Der USB-Anschluss kann beidseitig eingesteckt werden, doch der Animationsbildschirm wird nur auftauchen, wenn der Anschluss in der korrekten Ausrichtung eingesteckt wurde. Nur wenn die Auflade-Animation angezeigt wird, wurde der Aufladevorgang von Go-Tcha Evolve tatsächlich gestartet. Vor dem Start: Stelle sicher, dass Go-Tcha Evolve die aktuellste Firmensoftware verwendet [www.Go-Tcha.EU](#) [www.Go-Tcha.co.uk](#) Lade die „Go-Tcha Evolve“-App herunter, um Zugang zu weiteren Funktionen wie dem Überprüfen deiner Werte und dem Verändern der Einstellungen deiner Smartwatch zu erhalten und so dein Erlebnis mit Go-Tcha noch weiter In einem 45°-Winkel entfernen und erneut verbinden RICHTIG Mit einer Stromquelle verbinden, die über einen USB-Anschluss verfügt USB-Anschluss zur Aufladung Überprüfe die Auflade-Animation Thank you for purchasing the Go-tcha Classic for Pokémon Go! Enjoy Pokémon GO on the move without looking at your smartphone!What's In The Box?In your Go-tcha Classic for Pokémon Go box you should receive:1 Go-tcha Classic USB device1 Go-tcha wristband1 Go-tcha USB charger cableConnecting Your Go-tchaTo connect your Go-tcha Classic to the Pokémon App:Open the Pokémon GO AppTouch the Main Menu Touch SettingsTouch 'Pokémon GO Plus'Press the button on the Go-tcha Classic to make it discoverable to the Pokémon GO AppTouch your 'Pokémon GO Plus' under Available Devices list to connect.Using Your Go-tcha Classic – Manual CatchGo-tcha Classic will vibrate and animate the screen to show a new/duplicate Pokémon is nearPress the Go-tcha Classic button/screen to catch the PokémonGo-tcha Classic will vibrate and animate the screen to show a successful/unsuccessful catchGo-tcha Classic will vibrate and animate the screen to show when a Pokéstop is in rangePress the Go-tcha Classic button to retrieve items from a PokéstopGo-tcha Classic will vibrate and animate the screen to show it has successfully/unsuccessfully collected the items and how many items it has collectedSee 'Go-tcha Classic Screens' on pages for a complete guide to the screen animation alerts.Using Your Go-tcha Classic- Auto CatchTo turn the 'Auto-catch' function on, press the 'Auto-catch' button until 'Auto-catch ON' is selected.If you have Auto Catch on:Go-tcha Classic will vibrate and animate the screen to show a successful/unsuccessful catchGo-tcha Classic will vibrate and animate the screen to show it has successfully/unsuccessfully collected the items and how many items it has collected at a Pokéstop.To turn 'Auto-catch' off, press and hold the Go-tcha button until 'Auto-catch OFF' is selected.Charging Your Go-tcha ClassicThe Go-tcha Classic charges via a magnetic USB cable. Simply remove the Go-tcha Classic unit from the wrist band, connect the magnetic cable and connect the other end to a USB power source. The cable will only connect one way around – you will feel the magnets indicating the correct orientation as you position the connector. Simply return the Go-tcha Classic to the bracelet when fully charged. A full charge takes approx. 1 hour and lasts for approx.

12 hours with continuous use. Standby time is approx. 48 hours.Once connected you can check that your Go-tcha is charging by pressing the screen button. The charging animation will appear to confirm that the Go-tcha is charging. If there is another Go-tcha animation running, then wait for the animation to stop and the screen is blank – now press the screen button to confirm the charging animation is displayed.Go-tcha Classic ScreensTHIS PRODUCT IS NOT SPONSORED, ENDORSED, OR APPROVED BY THE POKÉMON COMPANY OR NIANTIC.
