

RIDE ON PATROL APPLICATION

F-60 (08/06)

PRECINCT _____

The Ride-on-Patrol Program of the St. Louis County Police Department is designed to provide an opportunity to citizens and other persons to observe law enforcement in action and become familiar with Department patrol operations.

The Department requires that all participants be neatly attired when riding in a patrol vehicle. The accepted mode of dress is shoes, shirt/blouse, slacks and jacket/coat when applicable.

Participants are asked not to leave the patrol car on specific police assignments unless their assistance is requested by the police officer with whom they are riding. This policy is necessary to protect the citizen from any eventuality of bodily harm, no matter how remote. The role participant's play is strictly that of an observer. They may not become involved verbally or physically with any suspects the police officer questions or with whom the police officer comes in contact. Individuals possessing a concealed carry endorsement shall not carry a firearm while participating in this program.
