

Discovering books that will delight young children is always a joy, and "Together" by Jere Silber is one such gem!

This multifaceted book is anything but your typical A-Z read! Instead it opens up a whole new world of animals for kids to discover in such an exciting way. From familiar favourites to lesser-known species, each one is brought to life through lively, engaging rhymes and vibrant illustrations.

Besides the wonderfully written prose, what sets this fun family book apart are the fascinating facts about the animals that accompany each verse. Each turn of the page reveals such interesting tidbits of information that elevate the reading experience, offering both enjoyment and knowledge. Moreover, the large font used in the book is tailored perfectly for the age group it targets, allowing children to interact with the text effortlessly.

With its fun and entertaining format, "Together" is sure to become a beloved addition to any family's library, as well as a valuable resource for schools looking to foster a love for literature and learning in young students.
