suffixes & morphology

Teaching suffixes and their accompanying spelling rules is important for enhancing word recognition, spelling accuracy, and overall writing fluency by enabling students to understand how words are formed and how to correctly apply these changes. By learning common patterns like the doubling rule (doubling final consonants) or the dropping rule (dropping silent 'e's), students can avoid many spelling pitfalls and naturally expand their vocabulary and ability to construct (more complex and natural-sounding sentences).

199 parts of speech	200 nouns	201 verbs	202-204 adverbs adjectives morphology	205 suffix -s	206 LEAVE goal s	207 CHANGE knife s	208 suffix -es	209 LEAVE annoy es	210 CHANGE worry es
