# The History of Star Performance Centre

Star Performance Centre has a rich history that began in the 1970s as a baton twirling group called Blazing Stars, founded by the current owner's mother, Karen Stegmuller. In the 1990s, it evolved into Star Studio with dance becoming a primary focus. In 2000, it became Star Performance Centre, which is now located in Liberty Township

Star Performance Centre has grown into a premier dance studio in the Cincinnati area. We are extremely proud to have over 400 all-star team members and recreational dancers.
