

2023-2024 SPC All Star Team Lists

Congratulations to all of our dancers! Please read the important information below.

Please be sure to check EVERY age group for your name.

*If you are not registered for acro or ballet, but would like to be, you can still register. (And we encourage you to!)

*If you are registered for acro and ballet, but do not see your name, please email:

Miss Kathy for Ballet: kathy@starperformancecentre.com

Miss Katie for Acro: katie@starperformancecentre.com

*Your dancer's individual schedule will be available through Jack Rabbit by July 1st.

Schedule Information

*Summer Schedule starts Monday, July 10th

*Fall Schedule starts Monday, August 14th

*Saturday practices in the Fall Schedule do not start until September 9, but be on the lookout for choreography dates for Saturday teams.

*No ballet and acro the week of August 14th-18th

*Your acro class is created around your team schedule, not your extra curricular activity schedule.

Due to limited space and timing, you will not be able to change classes due to outside conflicts.

*If you have any conflicts with the team or technique schedule, please email megan@starperformancecentre.com.

Please know, we will place you in another class, that we see fit, if that is the case. You will not be able to pick another class on your own.

Conference Information

Our coaching staff has been working for 3 weeks to finalize these team lists. We are constantly thinking about the best fit for the dancer, and the best team to put together. We understand that some dancers and families may feel as though they were not placed on the correct teams. If you would like to have a meeting about your dancers' team placement, please let us know below. In years past, we have moved, on average, 10-12 dancers after evaluating teams throughout the summer. Because of this, we will not be having any meetings regarding a dancer's team placement until the end of the summer schedule.
