Meet the Staff

Scott: Finance

My favorite dance memory is the year my daughter Keeley participated in USASF Dance Worlds as a Junior Large Pom Team - and we did not even make finals.

Julie: Fundraising

One of my favorite things about Star is seeing how the younger dancers can be so inspired by the older dancers and watching their passion for what they do grow every time they watch them.

My favorite thing about Star in addition to the amazing talent that we get to watch are the life skills that the coaches help to teach our dancers!

Toni: Front Desk

My favorite thing about Star are the friendships that my daughters and me have made!

Karen: Front Desk

I love all of the support the dancers and coaches give each other!
