# SPC WINTER SHOW '22

It's been an amazing season so far here at SPC and we are so excited that you are here for our winter show! The dancers have been working hard on their dance skills and have improved so much! They are excited to show you what they have accomplished! Thank you to all of our SPC family and friends for a great first half of our season! We appreciate all your help and support throughout the season so far and look forward to seeing how the dancers continue to grow as we finish the year.

Sit back and enjoy the show!
