

## SPC VIRTUAL TEAMS AND VIRTUAL CLASSES APRIL 2020

Hello and we hope this finds you and your family doing the best you can during this exceptionally difficult time. We are working hard to keep moving forward as this virus unfolds and wanted to communicate a clear plan of what we have done, what we will do and what are the future plans.

This unprecedented pandemic has us concerned for our dancers, their families, our community as well as the viability of the dance studio moving out of this crisis. Generally, we are following CDC, WHO and the State of Ohio and attempting to navigate this environment.

This has been a very challenging process to create a thirty day plan (April 2020) that is affordable, delivers virtual content that advances your dancer and will assist the studio in providing opportunities for our coaches and teachers to support their families. The following is the tuition schedule for April 2020.
