

SPC VIRTUAL TEAMS AND VIRTUAL CLASSES MAY 2020

Dear SPC Families,

With the recent announcement from Governor DeWine, we have been working diligently to come up with a plan for the month of May. We really want our recreational class kids to have a year-end experience. Unfortunately, we do not foresee the possibility of any type of a “true” recital and have created a plan for a so-called “show-off” instead. We will host classes on their normally scheduled night the week of June 8th. We will set up the large room into a stage along with social distance seating for parents only. We will also stream a Facebook live for grandparents and extended family. We will continue with the integration of the virtual studio and zoom calls for the month of May. A schedule for our show off will be emailed by mid-month. All team updates will be communicated through the team Facebook pages.

Thanks so much for your understanding, stay safe!
