

Shalev,

On behalf of the entire team at the Arizona Humane Society, thank you for your continued kindness and generosity toward the Arizona Humane Society. It was my pleasure to meet you in person at our Sunnyslope Animal Trauma Hospital on Saturday and receive your donation check. Your gift will help us continue to care for the sick and injured animals who come through our doors every day of the year.

Thank you for your great love of animals and your willingness to share your company's profits with our organization.

With wishes for a very happy holiday season,

Kristin
