

DOGS AND THE OUTPOST

We love our dogs, and we know you love yours too. The Outpost is a proud supporter of all dogs, and especially those that rise to the call to serve our states and country. In fact, the entire guest room is dedicated to military and first responder dogs. We welcome our canine family members and there's plenty of room for a dog to explore -- they love The Outpost as much as we do! That's why we do not charge an extra dog fee or extra dog deposit!!

And you can help us out! Please let **Fredericksburg Escapes** know that you are bringing dogs so they can budget the extra time into their schedule and bring all needed cleaning supplies in advance. Call our Property Caretaker, **Lucian Babb at: 830-733-8169**. Thank y'all!!

14. Do not allow dogs to urinate in the gardens near the cabin as it will harm the plants. Please do your best so they do not urinate on the grass as well (but we get it – you can't always stop them when they run out there and just go)!
15. Plenty of dog treats in the kitchen – yay!
