## Greetings from Scholarship Student Imani

Hello Ms. Roth,

It is so nice to hear from you. I am doing very well. How are you? I recently graduated this May with my Master's degree in Speech-Language Pathology. I have also accepted a position with the Atlanta Speech School, where I will be working with two-year-old DHH children for the 2022-2023 school year.

I appreciate all of the support I have received from the Quota organization, so it would be my pleasure to help out in any way possible. Talk to you soon,

# Greetings from Scholarship Student Taelor

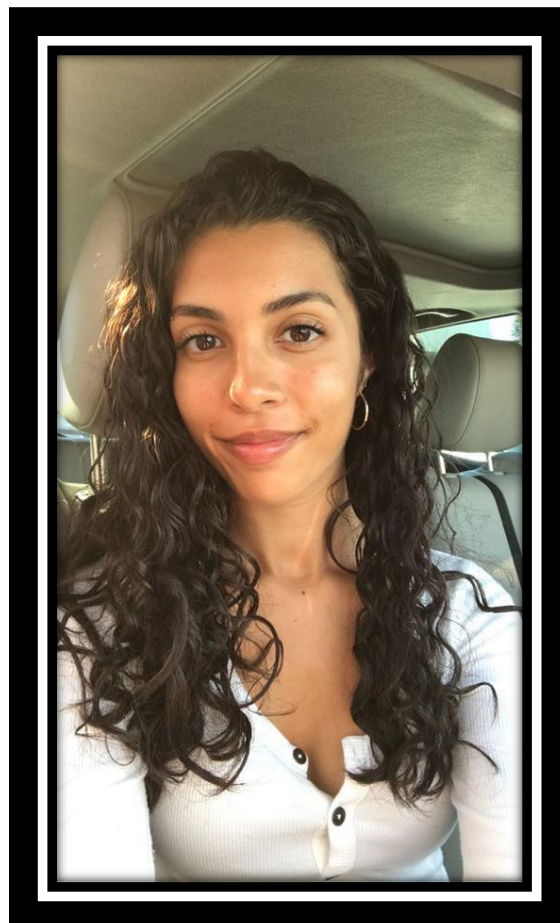

Hello Verra,

I am doing well, and I hope you are too! My spring semester went great, I ended the term with all A's which brought my GPA to a 3.77. I have attached my unofficial transcript so you can corroborate this information.

My plans for summer have already started! I am working at the City of Plantation's summer camp for the summer as well as taking another online course at American Public University to complete the required coursework for my certification in Child Life.

For fall, I have a practicum lined up at Tallahassee Memorial Hospital with the only Child Life Specialist in Tallahassee. I have her all to myself since I am her only practicum student, so I plan to learn a lot of information from her.

As far as my fall schedule, I am taking a few classes to add an extra certification to my degree. This certification will be Teaching English to Speakers of Other Languages. I am getting this certification in order to make the most out of my time at Florida State University. I hope to use it in the future to join Teaching without Borders.

Thank you for reaching out and keeping me up to date with Quota! I appreciate you adding this month's Chatterbox Newsletter and I would love to be featured!

**Best,**

**Taelor Balkissoon**
