# Easter at Markham

As with everything else this year, Easter for Markham's Special Education children is very different. Only two of Laura Van Epps students are "in class." Others are still learning virtually.

The usual party could not be held but that didn't stop Laura from giving the children some special attention (with Quota's help.)

She contacted Quota. "I'd like to utilize the remainder of our *Holiday budget* to purchase special crayons for the class and make spring (Easter) baskets for students. The baskets will include items, some of which I have already - play dog, Quota bears (boys), small bunny toys (girls)."

**"The baskets overfloweth! Yay!"**

# Easter at Markham (Continued ...)

Laura had “enough Quota bears for the boys. “Her friend Antoinette gave her “the little stuffed bunnies this summer and those went in the girls’ baskets.”

Quota paid for the great goodies, plastic baskets, alphabet puzzle cards, fun learning workbooks, bunny ear head bands and Hershey filled plastic eggs to put in the baskets.

“The other things were materials *Laura* had at school to share.”

“This was so fun to put together. I’m thrilled to share these learning activities and fun goodies with the cutie chickees and funny bunnies in my class.”

“All the baskets have gone home for Spring Break! Yay!”

“Nya must’ve thanked me ten times for her chocolate bunny. “

“They were overjoyed! Thank you again with all my heart!”

Dear Quota Club of Fort Lauderdale;

*Broward County families who need subsidized day care wait an average of two and one-half to three years for assistance. That means there are 10,000 children in need of safe, quality, affordable day care so their parents can work!*

*God's Little Lambs* provides quality childcare in a safe, nurturing environment. Established in 1999 to provide day care to homeless and very low-income families who are not receiving subsidies from the state, *God's Little Lambs* is a warm and caring home away from home for more than 100 children each year for infants to pre-kindergarten age, plus after school care for older children. The atmosphere at *God's Little Lambs* is one of compassion and love. Through a comprehensive program of learning, play, and nutritional meals, *God's Little Lambs* strives to instill in our children a sense of security and a readiness for kindergarten that will start them on a path to break the cycle of poverty.

Over 90 of enrolled children pay a reduced tuition which is made possible through donations from individuals and organizations who love children. In 2019, God's Little Lambs has provided \$69,000 in tuition scholarships. On behalf of the staff and children at God's Little Lambs, I would like to thank you for partnering with us to break help break the cycle of poverty with your generous donation.

Sincerely,

Carolyn Stevens  
Executive
