WAR**

YOU ARE NOT FORGOTTEN!

PRISONER

OF WAR

The burdens of war are borne disproportionately by the prisoner of war, their story is of fear, uncertainty, deprivation and torture but also of hope with the will to outlast, endure and overcome their captors.

21 soldiers of the 158th Field Artillery endured a combined total 7,575 days of captivity during World War II. These brave soldiers are not forgotten.
