

WORKOUT WTS2

Walk and Trot Show – Ridden Classes

- Ensure that the horse and rider can be fully seen in the video at all times.
- Please include a commentary somewhere in your video which details you and your horse's history. This should be before you start your individual show.
- In your show you need to show the judges a 360° view of your horse/pony, being thorough to show the legs and turnout as well.
- Your video footage must only be a maximum of 5 minutes, once you have shown the full view of your horse you will need to do a short, ridden show.
- This is a set show and your judge will expect you to walk directly away in a straight line for five strides as a minimum..
- Ride a figure of eight in walk
- Then a figure of eight in trot.
- Ensuring you have shown the judge both movements on both reins
- Come slowly back to walk and halt with a salute.
- The video must be one continuous video, with no cuts/edits.
