Cabinet Construction

Stands out from the competition

- Frameless structure
- Interior and exterior finishes match
- Solid maple cabinet doors, drawer fronts and drawers for all stained cabinets
- 3/4" plywood boxes and shelves
- Life time warranty soft-close, adjustable hinges for all standard cabinets
- Dovetail construction for all drawers
- Drawers have full extension, under mount soft-close glides
- Extra layer decorative furniture toe kick

Paints & Stains: We use Akzo Nobel

Plywood: We use Cabinet Grade Plywood which is well known for its easy machinability & screw holding strength. Its strength, uniform plies, thicker face & backing veneer ensure a higher quality finish
