

Carpenter Tower • Milwaukee, Wisconsin

Owner:
Marquette University

Architect:
HGA
Standing Stone Design

Market:
Multi Family

Building Details:
90,000 SF

Marquette University Carpenter Tower renovation occurred over the course of two summer break sessions (12 weeks each).

The Carpenter Tower renovation and infrastructure upgrades included new room layouts, fire protection, electrical/fire alarm upgrades, HVAC systems, and common space upgrades. This was coordinated utilizing the last planner scheduling and collaboration with the University Staff and departments as well as key trade partners to execute the tight schedule.
