Marquette University Krueger Child Care Center
moved to its new location at the northeast corner of 19th and Clybourn Streets. The two-level structure underwent a \$2 million renovation to create 11 classrooms that now accommodate 140 children.

The Child Care Center is an on-site, employer sponsored non-profit organization dedicated to quality care for children of all of those who make up the Marquette University community — students, staff, faculty and alumni.

The renovation included building upgrades to create a welcoming space and layouts that maximized the program. In addition the playground space
