

# JAXORIK AI RESEARCH GROUP

## Applied AI Solutions – Government Brief

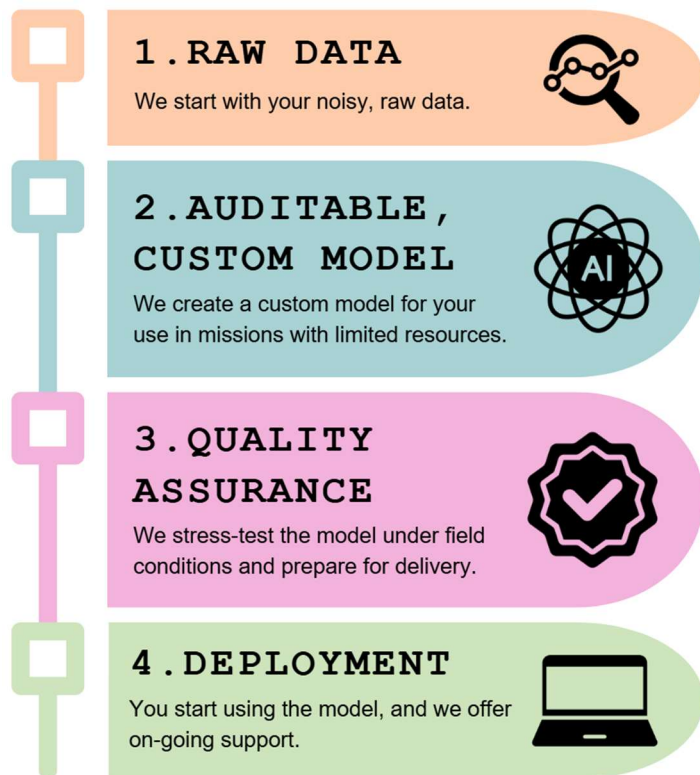

📍 6300 Riverside Plaza Dr. NW Suite 100, Albuquerque, NM 87120

☎ 505-506-6884 | 📧 govinquries@jaxorik.com | 🌐 www.jaxorik.com

📁 PORTFOLIOS: Github (Data Rae) | YouTube (DataRae-AIEngineer)

### Named by a Machine; Run by a SIGINT Marine

Jaxorik builds field-ready, auditable AI for national defense and disaster response missions where resources are limited and compliance and ethics are critical.

### DISASTER RESPONSE

- Predict hurricane paths, wildfire & flood spread
- Assess damage
- Aid search and rescue
- Evacuation planning and crowd management

### NATIONAL DEFENSE

- Counter-drone missions
- Satellite anomaly threat assessment
- Power grid attack prevention
- Supply chain disruption mitigation

### SAM.GOV INFORMATION

**UEID:** K8ENCCGZ2M13

**CAGE CODE:** 11X70

**NAICS Codes:** 541715 (R&D in Physical, Engineering, and Life Sciences), 541511 (Custom Computer Programming), 541690 (Scientific & Technical Consulting), 541512 (Computer Systems Design)

### Eligible for WOSB and SDVOSB set-asides

Registered in Disaster Response Registry (SAM.gov)

**Don't see your specific challenge? Let's talk about custom solutions.**
