

Directions to Kampout Fresno

Private Property | Sierra National Forest

Directions to Kampout Fresno (from Oakhurst)

- From the HWY 41 / HWY 49 junction in Oakhurst, travel north on HWY 41 through town for 4 miles to Road 632 (aka. Sky Ranch Road). There is a large brown and white “Sierra Sky Ranch” sign at the Road 632 turnoff.
- Turn right onto Road 632 and travel up the mountain for 9 miles to where the pavement ends at a small bridge crossing.

You will pass through a residential area before the road starts winding up the mountain. After 5 miles, Road 632 will change names to Forest Road 6S10. **Stay on the paved road (632↔6S10) with the double-yellow lines and do not turn off onto any of the dirt trails along the way.**

- When you reach the bridge where the pavement ends, continue across the bridge and along the main dirt road for 1 mile until you see a barn in the Soquel Meadow on your left. Across from the barn on your right is a turnout with a black gate and Kampout signage. You have arrived! Enter through the gate and follow the signs directing you to Main Kamp & Registration.

CAUTION: Do not rely on GPS to guide you to Kampout. It may lead you to the wrong side of the mountain. Please print or download these directions and follow the Kampout signage.
