

For Sale!

Fish and go tubing from your backyard on one of the nicest creeks in North Carolina. Small, climate-durable home in Hayesville is only 12 years old and offers all the amenities you could possibly want in a 3/3 energy-efficient footprint. Bedroom and laundry on main floor, loft upstairs, and walkout bedroom suite with two car garage on basement level. Clean and dry.

Selling for much less than the appraisal two years ago of \$577K because family issues require us to move. This is your chance to own valuable real estate right on the creek with a wildlife park across the street. See more at www.TheCreekCottage.com. Make us an offer. You may be very surprised.
