*Due to Covid 19, we have adjusted our party procedures and ask that all guests comply with social distancing requirements for the time-being. All Parties during this current phase of social distancing must be OUTDOOR ONLY. This includes yard parties, public parks and pool parties. We may permit an indoor party visit if it is hosted at an event venue which allows enough space for everyone to properly social distance. In case of rain, we are happy to reschedule or the character will visit with the child at their home but we will request the headcount be limited to the current social distance standards. Our character attendant will ensure children are staying apart during the activities and all of our cast will have gloves. All party activities are sanitized before each event and we utilize as many disposable options as we can to

ensure sanitation. Should we arrive at the event and it is apparent that social distancing standards are not being observed, our cast members will request compliance with the host and their guests. If the standards are still being disregarded or it is apparent a guest is ill, our cast will leave the event with no refund offered.
