This information is collected to ensure you have a consistent experience when using our Services, to ensure our content is displayed properly, and to improve the overall quality of our Services. If we serve ads, this information is also used to ensure advertisements are properly displayed to you. Personal information collected related to your browser, network, and device information, includes: Device ID, Operating System, Query Terms, Browser Type, Network Type, Cookies, Usage Data and other similar information.

Use of Data: Earth Media uses the collected data for various purposes: To provide and maintain our Service, To notify you about changes to our Service, To allow you to participate in interactive features of our Service when you choose to do so, To provide customer support, To gather analysis or valuable information so that we can improve our Service, To monitor the usage of our Service, To detect and prevent fraud, To detect, prevent and address technical issues, To pay or to receive payments related to our Service, To direct advertising from Earth Media or our subscriber businesses.

Retention of Data: Earth Media will retain your Personal Information only for as long as is necessary for the purposes set out in this Privacy Policy. We will retain and use your Personal Information to the extent necessary to comply with our legal obligations (for example, if we are required to retain your data to comply with applicable laws), resolve disputes, and enforce our legal agreements and policies. Earth Media will also retain Usage Data for internal analysis purposes. Usage Data is generally retained for a shorter period of time, except when this data is used to strengthen the security or to improve the functionality of our Service, or we are legally obligated to retain this data for longer time periods.

Transfer of Data: Your information, including Personal Information, may be transferred to — and maintained on — computers located outside of your state, province, country or other governmental jurisdiction where the data protection laws may differ than those from your jurisdiction. If you are located outside United States and choose to provide information to us, please note that we transfer the data, including Personal Information, to United States and process it there. Your consent to this Privacy Policy followed by your submission of such information represents your agreement to that transfer. Earth Media will take all steps reasonably necessary to ensure that your data is treated securely and in accordance with this Privacy Policy and no transfer of your Personal Information will take place to an organization or a country unless there are adequate controls in place including the security of your data and other personal information.

Disclosure of Data: Generally, we share your personal information as necessary to provide our Services, and for the purposes set forth in this Privacy Policy. We may also share your personal information, including usage data, and other information we have collected about you in accordance with this Privacy Policy, with third parties to allow third parties to deliver advertising, marketing, or other content through the Services for commercial purposes. We may also share aggregate data for marketing purposes.

Business Transaction: If Earth Media is involved in a merger, acquisition or asset sale, your Personal Information may be transferred. We will provide notice before your Personal Information is transferred and becomes subject to a different Privacy Policy.

Disclosure for Law Enforcement: Under certain circumstances, Earth Media may be required to disclose your Personal Information if required to do so by law, or in response to valid requests by public authorities (e.g. a court or a government agency).

Legal Requirements: Earth Media may disclose your Personal Information in the good faith belief that such action is necessary to: To comply with a legal obligation, To protect and defend the rights or property of Earth Media or our affiliate business, To prevent or investigate possible wrongdoing in connection with the Service (e.g. to prevent or investigate fraud), To protect the personal safety of users of the Service or the public, To protect against legal liability.

Security of Data: The security of your data is important to us, but remember that no method of transmission over the Internet, or method of electronic storage is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security.

Your Data Protection Rights Under General Data Protection Regulation (GDPR): If you are a resident of the European Economic Area (EEA), you have certain data protection rights. Earth Media aims to take reasonable steps to allow you to correct, amend, delete, or limit the use of your Personal Information. If you wish to be informed what Personal Information we hold about you and if you want it to be removed from our systems, please contact us. In certain circumstances, you have the following data protection rights: The right to access, update or to delete the information we have on you.
