

White Rose Eclectics

Dear Event Supporter,

White Rose Eclectics is hopeful for your support and thanks you for your interest in a White Rose Eclectics presents – ***“2026 Fashion for Compassion Gala”*** – a Fundraiser Fashion Show benefiting Aiken Equine Rescue to be held at The Reserve Club at Woodside, February 7, 2026 at 5:30 pm.

Equine Rescue of Aiken (aka, Aiken Equine Rescue) was established in 2006. Since its founding it has become one of the largest horse rescues in the southeastern United States. Their mission is to rescue and rehabilitate horses that have suffered from abuse and neglect, re-purpose Off-the-Track Thoroughbreds, and take horses whose owners can no longer care for them combined with a social mission to offer educational, horse/human interactive programs.

At any given time, the Rescue has 40-50 horses who come with stories of struggle, defeat, and hope for a better future. They help them recover from their past, restore their health and prepare them for their next career – they help them find purpose. They have helped more than 1,800 equines get a second chance. The Rescue plays an essential role in providing care and transitioning horses that would otherwise have no safe refuge.

Aiken Equine Rescue is a volunteer driven organization that is not supported by tax dollars. Aiken Equine Rescue, an accredited Thoroughbred Aftercare Alliance organization, has a 2025 GuideStar’s Platinum rating and ranks in the top 0.1% of charities nationally.

Through your support they can continue their mission of saving and rehabilitating unwanted horses. Through your tax-deductible donation, you are saying “yes” to second chances by sharing your philanthropic collaboration with Aiken Equine Rescue.

Aiken Equine Rescue is committed to at-risk horses and giving second chances. We invite you to be a part of our White Rose Eclectics’s *2026 Fashion for Compassion Gala* benefiting Aiken Equine Rescue. We ask for your support for this very important local, 501(c)(3) non-profit organization. Please contact us with any questions.

Kind regards,
