

From Board Member Cora Quisumbing-King to the RŪT Board

Hello!

I am amplifying this here and there -- to Dover's Committee for Racial Equity and Inclusion and to Dover's Chamber of Commerce...and others I can think about. I think this is a powerful act by NHBSR.

Dear Cora,

I am excited to share NHBSR's next step in advancing on our Diversity and Inclusion journey. Our Board of Directors approved this [DEIJ Statement of Commitment and Goals](#). We have metrics attached to each of our goals and will share our progress in reaching them, whether showing progress or need for improvement.

We've been working to create a more diverse and inclusive organization over the last couple of years, but we felt it was important to hold ourselves accountable. We're interested in knowing what your company or organization is doing too. This is a journey we're on together, so please share your efforts or thoughts with us. We value your thoughts and perspectives.

Best,
Michelle
