Use your login details to access the portal using the URL above. Get

The screenshot shows the 'Client portal' login page for Middle East Eye. The page has a light beige header with the MEE logo and navigation links: News, Opinion, Video, The Big Story, and a discover icon. Below these are links for 'Now', 'Turkey elections 2023', 'Sudan crisis', and 'Nakba'. A search bar and social media icons are on the right. The main content area is white and titled 'Client portal'. Below the title is a description: 'Enter portal to access MEE's articles, videos, analysis and all content available'. It mentions a partnership with 'MEDIA BARGAIN', which is represented by a logo. The login form consists of three fields: 'Username', 'Password', and 'Math question'. The math question is '10 + 1 ='. Below the fields is a 'Log in' button.

Navigation menu

Once logged in you can click on Shortcuts in the admin nav bar at the top to view your content choices

The screenshot displays the Drupal administration interface. The top navigation bar includes links for 'Back to site', 'Workbench', 'Manage', 'Shortcuts', and the user profile 'John Smith'. The left sidebar navigation menu is highlighted with a red box, listing various content management options: 'All content', 'All media files', 'Recently published content', 'Images library', 'Videos', 'Galleries', 'Infographics', and 'Opinions'. The main content area is titled 'Content' and features a '+ Add content' button. Below this are tabs for 'Content', 'Files', 'Advertisements', and 'SEO Dashboard'. The 'Overview' tab is selected, showing a table of content items with columns for Title, Content type, Section, Published status, and Language. The 'Action' dropdown is set to 'Break lock node'. The table header includes checkboxes for selection and labels for 'CONTENT TYPE', 'AUTHOR', 'LAST EDITOR', and 'STATUS'.

Search for content

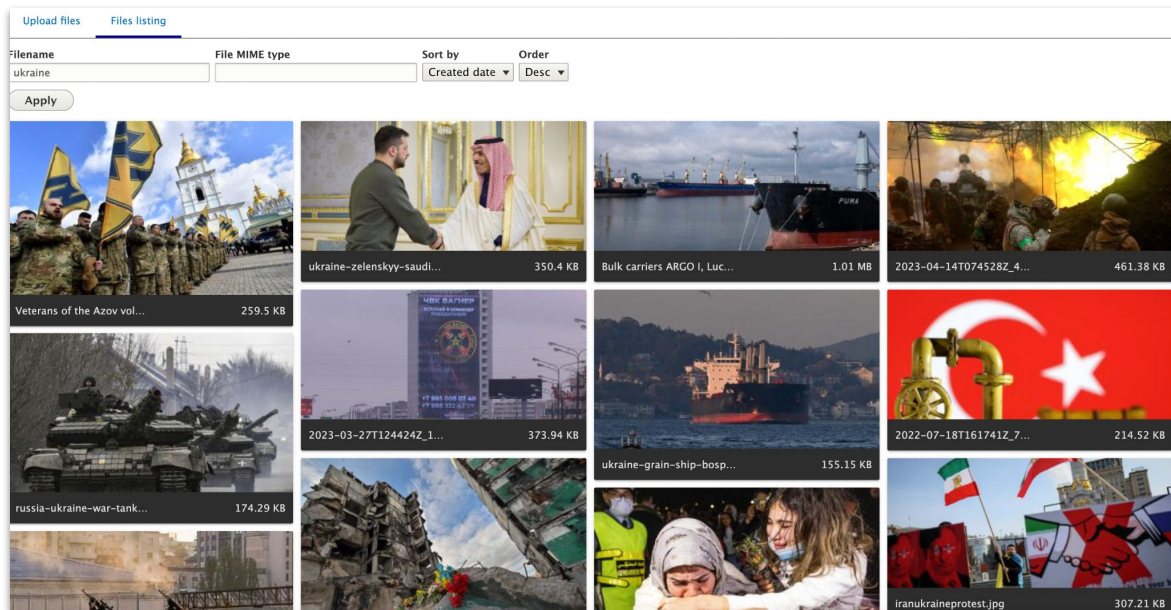

The screenshot shows a user interface for searching content. At the top, there are four tabs: 'Content' (active), 'Files', 'Advertisements', and 'SEO Dashboard'. Below these, there are two sub-tabs: 'Overview' (active) and 'Moderated content'. The main search area contains a 'Title' input field, followed by three dropdown menus for 'Content type' (set to 'Gallery'), 'Section' (set to 'Discover'), and 'Published status' (set to 'Published'). To the right of these is a 'Language' dropdown menu showing 'Interface text language selected for page'. A 'Filter' button is located below the search filters.

Title	Content type	Section	Published status	Language
<input type="text"/>	Gallery ▼	Discover ▼	Published ▼	Interface text language selected for page ▼

Utilise search filters to find what you are looking for. You can select options for content type, website section, and publish status.

Media

The media library has a search function to find the content you need

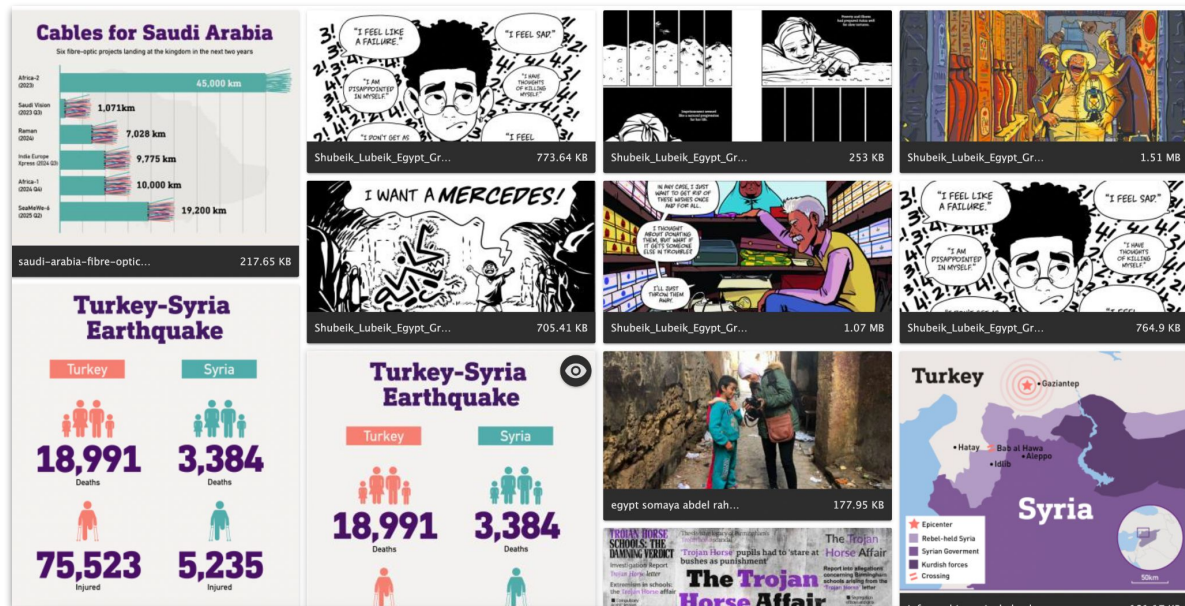

Maps

Search the media library for informative maps related to news

Infographics and Illustrations

Find data-led infographics and creative illustrations to suit your needs

Wide access

You can also access unpublished content to be ahead of the curve

Section	Published status	Language
