## DOG'S OF THE MONTH

### Suki and Gypsy (Siblings)

Suki is an (almost)1- and 1/2-year-old husky who has been with her family since she was a puppy. She started coming to Hound Housing in January of this year. Even though Suki has always enjoyed day care, her parents are so thankful for Hound Housing because it's close to home and Suki loves it the best! Suki was going to be an "only" pup until her parents decided to foster Gypsy, also a husky, from Forsyth Humane Society. Although Suki and Gypsy didn't fall in love immediately, their parents fell in love with Gypsy and decided to take a chance on her. She became a "foster fail" in March of this year. She's smaller than Suki but almost exactly a year older. Gypsy didn't frequent Hound Housing at first because she was a calm husky, however, once she realized she found her forever home, she came out of her shell. Then, it was clear she needed the socialization and activity as much as Suki did. These two are now a bonded pair and we owe a lot of that to Hound Housing. They love any activity that involves other dogs, exploring the outdoors with their parents, chasing their cat brothers, talking and frozen peanut butter kongs. Thank you, Hound Housing, for always taking the best care of our talkative, sweet, wild girls and loving them. They both love you all right back!
