

HH PUPDATE! (September 2024)

We will be offering a Spa Day on THURSDAY, September 26th! The spa treatment includes: a nail trim, bath, blow out, brush out, and anal glands if needed. There will be a sign-up sheet located in the lobby for anyone that is interested in giving their dogs a spa day! We are taking up to 16 dogs to get the spa treatment for the day. The prices are \$30 for small dogs, \$35 for medium dogs, and \$40 for large dogs.

Who needs a date night? We all do occasionally, right! Well on Friday September 20th HH is offering extended hours! We will have pickup until 9pm for an additional \$10 per dog! We will be accepting up to 20 dogs for late pickup. Daycare passes may be used for regular daycare but cash only (\$10 fee) is accepted for late pickup on this day. Treat your pup to a movie night with staff and pup-corn! The movie has yet to be determined by staff votes but rest assured, it will be a family themed dog movie. Since this will be a group event, we can only accept dogs that can attend group play. If your dog is boarding with us on 9/20 and you would like for them to attend the movie with pup-corn, just let us know at drop off. There is a signup sheet in the lobby if you would like to treat yourself AND your pup to a fun night. We hope to see your pup there!

ATTENTION

To comply with the Department of Agriculture's regulations, we are updating our records for all dogs who have been clients with us for over a year. To ensure we have the most current information, we will be sending home new registration forms for you to complete.

Please fill out the forms and return them to us during your next visit. Your cooperation helps us stay compliant with the regulations and ensures we can continue providing the best care for your pet.

Thank you for your attention to this matter. If you have any questions, please feel free to contact us.

Best regards,

DOG OF THE MONTH

Mazzie

Mazzie came to her family 8 years ago all the way from Alabama, rescued as a puppy that was part of an overcrowding situation, giving her a second chance at living the good life. Mazzie loves her family hard and will often be found snuggling up to shoes of family members that aren't home, a fun game for her is to steal shoes as family arrives back home trying to incite a game of chase. Anytime a new box arrives at the house Mazzie cannot wait for it to be emptied because that means she gets to tear apart and then nap in the mess. Mazzie also loves to lay outside in the sun and when she's not snoozing, she watches for squirrels and chipmunks that also love to play chase, a game that she (thankfully) can't ever seem to win. That doesn't bother her though; the consolation prize of a big stick to chew helps her forget all about coming in second place. Car rides can be a bit frightening for Mazzie, but as soon as she hears the word "daycare" her tail starts to spin and she's ready to go, Mazzie finds so much comfort and joy in play with other pups and it makes the car ride totally worth it! We love that she has a place to go where she can be cared for and be herself, surrounded by all her furry friends.
