DOGS OF THE MONTH

Mack and Millie

Mack is a 3-year-old Rottie and Millie is a 4-year-old rescue from Davie Humane Society. She was adopted when she was approx. one. Mack may look tough, but he's a big baby at heart! He is happiest when playing with a ball or hanging out with his humans and his sweet sister Millie (he often cries when he cannot physically find his human pack members!). Millie has a special love for car rides and never meets a stranger - she gets along with everyone, from other dogs to cats to people - whom she loves to lick. She loves her brother Mack, but sometimes she finds him a bit smothering!
