

# ROYAL DRIVING SCHOOL

## KANSAS DRIVERS EDUCATION

### TRAINING

An 8-hour instructional course is held in-person at The Garage. Students will take their permit test during the course. Our licensed instructors also provide hands-on interactive experiences such as driving simulators, vehicle maintenance, and even a crash safety simulator!

Once students pass their permit test, they will schedule 6 hours of behind-the-wheel training with one of our KS certified driving instructors.

### COST

Private Driving & Course Instruction costs a total of \$390 per student ages 14 through 18 years old.

There is a \$50 deposit required when submitting the application, which can be found online or at The Garage. The rest, \$340, is due two weeks before class instruction.

### SCHOLARSHIPS

Scholarships and payment arrangements available upon request.
