LIONS PARK

We have heard from the city. They told us that the handicap swing should be installed in the next week or two, depending on the weather. Also, there is some new park signage in the works.

RAFFLE TICKETS

The tickets are here. Please sign some out and start selling. The drawing is scheduled for December 5th.

SAINTS SQUARES

There are only six squares left! Please purchase yours before they are all sold.

PAGEANTS

The Miss Mississippi Pageant went very well. The contestant from our pageants did well.

GUEST SPEAKER

Due to some miss-communication, our speaker did not attend today. We look forward to hearing from him at a future meeting.

Meetings are noon every Wednesday at the Maritime and Seafood History Museum
