September 8, 2021

### **Change for Change**

Lion Cindy Martin has a goal of collecting 15 change jars from our members. She is on her way with 2 jars so far. Let's help her make her goal!

### **Avery McKinley**

Lion Judy Gavin is still collecting names of members who wish to donate \$25 for this fund raiser. The amount can be billed to your account! Please see her for the sign-up sheet.

### **Dessert Sign-up**

The dessert sign-up sheet is now accepting names for the October – December time frame. Please see the sheet at each meeting to see if there is a date you would like to bring dessert.

### **Board Meeting**

A reminder that there will be no September Board Meeting tomorrow due to the number of Board members traveling to the USA/Canada Forum. Please keep the travelers in your prayers and we will have the next scheduled Board Meeting in October.

### **Work Project**

We will have our first work project of the year on Saturday, September 18 here at the Maritime Seafood Museum! They are having their annual fund raiser and have asked us if we will help out

like we did last year. For those who remember, we ran food and drinks to the cars as they drove through. They will have the same drive through as last year, but will add some seating for those people who want to eat there. There will be more about this at our meeting next week.

### **Scholarship Pageants**

Lion Jaye Brice told us that there have been some major changes for our Scholarship Pageants this December, that being that the Beau Rivage will not be sponsoring the event for us. The pageant committee is actively seeking a new venue to host the pageants. Please let Lion Jaye know if you have any suggestions for a location.

### **Candy Sales and Nut Sales**

These fund raisers are right around the corner, so expect more information to coming soon!

### **Guest Speaker**

There was no guest speaker this week. We want to thank Lion Jerry Dodge for actively looking for speakers for us. Unfortunately, COVID is still putting a damper on those we ask to come and speak at our meetings.

*Meetings are noon every Wednesday at the Maritime and Seafood History Museum*
