Biloxi High School Show Choir

We had several special guests at our meeting. The first being the Biloxi High School Show Choir! In the picture above, you can see our three other special guests, but more on them later. They started with a couple of songs highlighting their talents. The topic was about enjoying life. During COVID, many of their activities as teens were suspended; the fun times, being together, and performing together. So, these songs were chosen to show that “We’re back!” They ended with a selection of Christmas songs. They were marvelous!

Miss Gulf Coast and Miss Gulf Coast Teen Pageants

Our 2022 Miss Gulf Coast Pageant winner, Katelyn Perry was able to join us today. While our 2022 Miss Gulf Coast Teen winner, Madalyn Smelly, was unable to join us today, the 2nd Runner-up, Mary Lange, and Ina Wilberg were able to join us.
