Boys Leadership Conference

Gerald Gardner told us that 12 boys attended. Many speakers cancelled so time was filled with competitive sports activities

Sees Candy

Dorothy Nehlig said that the candy will be brought to our meeting on April 6. We made \$951.05!

She also read a thank you letter from Girls Leadership Conference attendee Jaye Gavin.

April Board Meeting

Our April Board Meeting will on the 14th at our old meeting place of McAllisters.

Desserts

So far, there is no one signed up to bring desserts for April, May, and June.

Guest Speaker

Our guest speaker was Amanda Hinton, FBI Special Agent, Gulfport Residency on Elder Financial Abuse. She has been with the FBI for almost 18 years. Following her training at the FBI Academy at Quantico, Virginia, she started her bureau career at the FBI Huston Division where she spent 14 years, mostly working to solve on-line crimes against children. She then returned to the FBI Training Division in Virginia to serve as a Supervisory Special Agent in the FBI Academy Unit. In August 2021, she had the opportunity to return home to the Mississippi Gulf Coast, so she returned to field work and is now assigned to the Gulfport Resident Agency.

Meetings are noon every Wednesday at the Maritime and Seafood History Museum
