Mississippi Lions State Convention

Our State Convention is on April 29-30 in Flowood. They are actively looking for auction items for their silent auction. One idea they suggested is to get gift cards that are recognized across Mississippi (They aren't as valuable an auction item if they can only be used on the gulf coast!). Something like store cards or restaurant cards. Please be generous.

Sees Candy

The candy was at the meeting today. Please see Dorothy Nehlig if you still haven't gotten your order. Also, please turn in all the order money you have collected.
